LET'S TALK PRIMARY LANGUAGE ARTS

There is no one right way to do language arts. Our purpose today is to help remove some of the mystery of teaching language arts in the primary grades. (PreK-Gr. 3.)

Between Pre-K and Gr 3 we want to focus on reading and beginning spelling skills story telling (narration) and some beginning writing and grammar ie. punctuation and capitalization.

Remember:

Rome wasn't built in a day. It was a process.

Learning and homeschooling in general are a process that will grow and shape all of us not just our children

Your job is to patiently teach and train to the best of your ability

You child's success or lack or it is not necessarily a reflection on you and your ability.

For some students this will just be hard. Our job is to keep teaching and to be a cheerleader every step of the way.

On the days when things seem difficult never discount the value of taking this to the Lord in prayer.

For I know the plans I have for you," declares the LORD, "plans to prosper you and not to harm you, plans to give you hope and a future. Jeremiah 29:11
